

SESSIONS

Saturday, December 9 - Morning

- **FAI and Dysplasia**
- **Hip Osteotomies**
- **Arthroscopy Skill Station**

Saturday, December 9 - Afternoon

- **Advanced Hip and Pelvis Exposure**
- **Surgical Dislocation**
- **Hip Arthroscopy**
- **Arthroscopy Skill Station**

Sunday, December 10

- **MIS PAO**
- **Dega, Tonnis, Salter, Shelf Osteotomy**
- **Complex THR**
- **Cadaver Stations**
- **Case Discussions**

Monday, December 11 - Live Surgery Morning

- **Femoral Osteotomies/ Hip Arthroscopy**
- **MIS PAO/Tonnis**
- **Hip Salvage Procedures**
- **Case Discussions**

Workshops

Arthroscopy: You will work on hip models and practice techniques such as fixing labrum with knot less suture anchors.

Pelvic Osteotomy: This involves doing osteotomy on cadaver pelvis, and practicing the concepts learnt on the course.

Advanced Hip : This involves doing pelvis approaches such as Stoppas, Ilioinguinal, iliofemoral, and Kocher-Langenbeck to deal with nonunions in pelvic osteotomies

In Depth Discussion on

1. Diagnosis and Investigation
2. Decision Making for Osteotomy/ Arthroscopy/Replacement
3. Chondrolabral lesions
4. Minimally Invasive Hip Surgery
5. Non-Arthroplasty Hip Salvage

Surgical Technique

1. Hip Arthroscopy
2. Minimally Invasive Peri-Acetabular Osteotomy
3. Other Triple Pelvic and Paediatric Osteotomies
4. Intertrochanteric/Petrochanteric Osteotomies
5. Surgical Dislocation of the Hip
6. Intracapsular Femoral Osteotomies
7. Arthroplasty Options in the young adult
8. Complex THR
9. Debates
10. Treatment of Complications of Hip Preservation

Hip Joint Preservation/Young Adult Hip Cadaver Course 9-11 December 2017

Conference Registration:

BY MAIL: Complete the attached registration form with payment and post it to the address indicated at the bottom right of the page.

BY EMAIL: Send the completed registration form with credit card information three digit security code and authorizing signature to nemushealth7@gmail.com

Please ring +44 01302 322302 to book by credit card.

VISA/MASTERCARD/MAESTRO cards accepted

Refunds

Cancellation fee of £125 will be charged until 25th October 2017. No refunds will be given after this date. If due to unforeseen circumstances the course is cancelled or rescheduled, a full refund will be provided.

Hotel Reservations:

Early room reservation is advised.

Go to the website www.hipjointpreservation.com for course details and hotel accommodation.

Meeting Location:

9th December, Saturday – Lecture Theatre, Stephenson Wing, Sheffield Children's Hospital, Western Bank, Sheffield S10 2TH

10th December, Sunday – Biomedical Science Lecture Theatre, Alfred Denny Building, Western Bank, Sheffield S10 2TN

11th December, Tuesday – Theatre Seminar Room, Sheffield Children's Hospital, Western Bank, Sheffield S10 2TH

Three miles from the course location is the beautiful Peak District National Park. About 8 million tourists visit the park annually for country side activities like hiking, biking, rock climbing, paragliding and fishing.

Explore The Peak District one of the world's most popular national parks, which begins in Sheffield's suburbs. With dramatic scenery and two great stately homes Chatsworth House and Hardwick Hall it shouldn't be missed.

Course Guidance

This course intends to cover all aspects of hip joint preservation and young adult hip surgery. Many problems of hip arise at birth or in developmental ages, and therefore this course discusses paediatric and adult hip conditions. It will be most useful for hip surgeons who deal in hip surgery of all age groups.
